WE CARE ABOUT ANIMALS

FM GROUP World, in line with corporate social responsibility, is categorically against animal testing and inhumane treatment of animals.

FM GROUP World finished products are not and never have been tested on animals. We do not conduct or commission animal testing to other companies. Few animal-derived ingredients in FM GROUP World products are used because of their superior quality and valuable properties difficult to substitute in any other way. However, sourcing of these ingredients does not cause death or injury to animals, it is conducted in safe and natural way. We do not use products derived from slaughter of animals.

According to the REGULATION (EC) No 1223/2009 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of November 30, 2009 on cosmetic products, since March 11, 2013 throughout the European Union there is a complete ban on testing finished products and cosmetic ingredients on animals as well as marketing of cosmetic products and ingredients that have been tested on animals in order to implement the requirements of the Regulation 1223/2009/EC. In view of the above, the “not tested on animals”, “cruelty free” or any other similar mark should not be used in the marketing communications of cosmetic product.
